Where's Parry?

Congratulations to J.D. in 3rd grade. He discovered Parry hiding on the top shelf in the Art Room.

Be sure to be on the lookout for Parry's next hiding spot.

Class of the Month Spotlight

7th Grade

The month of March has been wonderful in seventh grade. Students loved the Medieval Unit and learned so much from it. Science focused on incorporating tenets of the Middle Ages into its Roller Coaster unit. Social Studies instruction taught students all about major events of the Middle Ages. Language Arts read a book called Crispin which was a medieval adventure set in 1400's England. In math, students independently researched and prepared presentations choosing from a litany of Middle Age topics. Seventh grade is looking forward to Spring Break. After Spring Break, we have much more to learn and are looking forward to a few happily anticipated field trips.

Counselor Connection

April is National Community Service Month! The students will be learning about why it is important to help the community by volunteering.

Literacy Unit: Medieval Times

YOUR SUPPORT OF PSO fundraising makes amazing Literacy Unit experiences possible! This year, our K-4 students were *knighted* and learned sword moves in an assembly presented by Medieval Times' Dinner and Tournament cast. 5th-8th grade students traveled to Medieval Times in Schaumburg to enjoy lunch and a show that included Medieval action and jousting.

Medieval Times Exploration Unit

The Medieval Exploration Unit and the culmination assembly were a huge success. It was so wonderful to see all that the children have learned and enjoy a day of celebrating such an interesting period in our history. The projects were so impressive and the hallway presentation was a reflection of how this time period inspired out students.

We would also like to thank the **PSO** for all of their support with purchasing literature and supplies, specials assemblies, and the unbelievable field trip to Medieval Times that made this unit such a memorable time for all of our kids. You make units like this possible!

The Writer's Club Books are Complete!

The books of students in grades k-3 are in Milwaukee for judging in the *GO KIDS GO! MPTV Writing Competition*. The books turned out amazing! It was inspiring to see all the creative stories and illustrations come to life. We are waiting for the copies to be returned from the printer and then we will be sending copies home when we have the originals back at school.

We are so proud of our writers and so grateful to our staff and parents for helping making the process successful. Soon we will begin preparations for our Writer's Club Celebration featuring all of our young authors and books! Look for details to follow! Thank you again to the staff and family members for making this program so successful.

Dear Paris School Community:

If you are aware of a new family in the Paris School attendance area with a prospective kindergartener that will be enrolling at Paris School for the 2019-2020 school year, please ask them to call the school office as soon as possible. Kindergarten screening is coming up very soon, and we want to be able to include them in our mailing. We appreciate your assistance in this regard.
