**Greetings Paris School community:**

On behalf of the Paris Jt. 1 Board of Education, it is my pleasure to write this welcome introduction to our 2019-20 Budget Publication and Newsletter.

Our school year is off to a great start! In an effort to maintain positive effective communication between the school and our community we are sending you this informative packet. In years past, our district has published the legal notification of our annual budget and announcement of the budget hearing in the Kenosha News. A far less costly alternative is to mail the budget summary to our community. You'll note that the enclosed budget begins with the Notice of Budget Hearing, followed by the summary which contains the audited budget from 2017-18, audited budget from 2018-19, as well as the projected 2019-20 budget. The Budget Hearing itself is part of the District Annual Meeting, which will be held on Monday, October 28, 2019, at 7:00 p.m. in the gymnasium. All are invited to attend!

There are wonderful things going on here every day that we are excited to share, so also enclosed in this packet you will find information regarding our continued student academic success, fiscal highlights of our district, technology enhancement updates, information regarding the Paris School Foundation, and news from our Paris School Organization (PSO).

As always, if you have any questions or concerns regarding our school, please do not hesitate to contact me at 859-2350 or rgahart@paris.k12.wi.us.

Sincerely,

Roger Gahart,  
Paris School District Administrator

Jake Eckhart shares details of his U.S. Army service as a Sentinel at the Tomb of the Unknown Soldier in Washington, D.C.

**PARIS SCHOOL TRADITION:  
Veteran's Day celebration**

EACH NOVEMBER, PARIS School students and staff gather to honor those who serve our country. This special all-school assembly begins with the Pledge of Allegiance, and features patriotic-themed presentations prepared by K-4 students and their 5-8 grade mentors, Paris School choir and band performances, and an annual guest Veteran who speaks about personal military experiences followed by a question and answer session. This afternoon of unity teaches reverence and the importance of thanking others who fight for our freedoms!

Mr. Ben Warmuth, Paris School Band and Choir Director and member of the U.S. Army Reserves, directs students in patriotic song.

## FROM OLD-SCHOOL TO IXL: Educating the whole child

AT PARIS SCHOOL, we strive to provide our K-8 students with an exceptional learning environment and outstanding educational advantages. Our recipe for success begins with proven fundamentals and mixes in technology to help our learners rise to the heights of academic excellence.

While other districts may reduce or eliminate key subjects to increase core academic time or abandon tradition in favor of technology-driven curriculum, we know that balance is better.

Simply, we retain our proven educational philosophies...

- K-8 reading instruction, including phonics, spelling, and vocabulary
- Manuscript and cursive writing (3<sup>rd</sup>-4<sup>th</sup> grades)
- Literacy instruction supplemented with fiction and non-fiction literature at all grade levels
- Focus on math facts and comprehension all grade levels
- Music and art instruction at all grade levels
- Spanish curriculum for all Middle School students
- Mandatory recess at all grade levels

...and strategically augment our classroom instruction with beneficial technology to create mastery for our kids.

IXL ('I Excel') is Paris School's most recent online technology enhancement. For our students, IXL provides an engaging platform to practice Language Arts and Math skills. For our educators, IXL is a valuable and comprehensive tool for tracking student performance and identifying areas for individual academic improvement.

IXL data helps guide our traditional instruction and helps us to maximize learning—for students who need more and also for students with more needs. As a result, Paris students succeed beyond the norm...without sacrificing the benefits of art, music, recess, and more!

# PARTNERSHIPS

Exciting collaborations to benefit our students and our school.

## COME READ WITH ME volunteer program:

FOR THE PAST 15 years, Paris School has been a weekly destination for grandparents and retired educators who seek to enrich the literacy of young students. Come Read With Me volunteers bring vital knowledge and experience to weekly, twenty-minute, one-to-one read-aloud sessions with K-3 learners, bridging the gap between generations.

The goal of the program is to boost Paris School readers by providing additional opportunities for literature discussion. When kids are prompted to imagine what comes next in a story or questioned about what was just read, comprehension and vocabulary acquisition soar!

Our Come Read With Me programming runs November-May each school year. Please contact Mrs. Margie Blair, Paris School Reading Specialist, at [mblair@paris.k12.wi.us](mailto:mblair@paris.k12.wi.us), with questions or to volunteer.

## RECORD-SETTING community support!

Thanks to generous businesses, school families, and our amazing local community, proceeds from our annual Panther Prowl Walk-a-thon and Spaghetti Supper events topped \$70,000 last school year! 100% of these funds support Paris students and our school!
