Class of the Month Spotlight

Kindergarten

We are off to a great start in Kindergarten! We have been busy getting to know each other and learning our routines. Kindergarten is now getting ready for our first Panther Prowl! This is going to be a great school year, and we are excited to be a part of the Paris family!

Counselor Connection

We have been reading school-wide "The Energy Bus" for kids written by Jon Gordon. It is a story about staying positive and overcoming challenges that may come our way! There is even a version for parents called "The Energy Bus", if anyone is interested.

Ms. Thomas
School Counselor

3. Before I started teaching, I was an analytical chemist for the Gillette Company.
4. I live on a farm with my husband (boy), three sons (boys), 750 head of cattle (all boys), my dog (boy), and a cat (boy). Do you see a pattern here?! ☺
