Class of the Month Spotlight

4th Grade

Feliz Natal! Joyeux Noel! Frohliche Weihnachten!
Krisamasa Ki Bachai!
Buon Natale! Feliz Navidad! Geseende Kersfees! Happy Christmas!

Fourth graders researched Christmas traditions from around the world. They were then assigned to present their findings to their classmates. We heard some great music, saw some enthusiastic dancing, and tasted some delicious treats. Stop by to see the posters they created as visuals for their oral reports.

Students also read the novel The Best Christmas Pageant Ever! by Barbara Robinson. The Herdmans, who “were absolutely the worst kids in the history of the world,” somehow managed to get all the main roles in the Christmas pageant - causing a *lot* of chaos. Despite that, it ended up being the best Christmas pageant ever.

Math assignments this week were also Christmas-related. Do you ever wonder exactly how many presents “my true love” actually gives during the Twelve Days of Christmas? Ask a fourth grader how to go about finding that answer.

Finally, fourth graders have completed several labs in science class related to animals and plants as they finish up their Life Science unit.

Fourth graders wish everyone a joyful and Merry Christmas!

Counselor Connection

In January, I will be working with the 4th grade on integrity, positive attitude, perseverance, and doing your personal best. Middle school will be working on communication skills, such as, understanding nonverbal messages, listening, speaking, being assertive, and expressing opinions constructively.

Ms. Thomas
School Counselor
