 1. First trimester Parent/Teacher Conferences took place on December 8th and 9th. We thank all of the families who provide our teachers with a fantastic meal or tasty snacks and sodas each night of conferences. We held in-person conferences again this year and attendance was excellent. As always, we will continue working to improve our home/school connections.
 2. I also wish to thank all of our parent volunteers who do so many wonderful things to support Paris School every day. Our volunteer opportunities are somewhat limited this year due to our current health safety practices and protocols, however so many of our families and community members are still stepping up any ways they can, and for that, we are most appreciative. We are fortunate to have so many parents, grandparents, and community members who are actively involved in our educational programming, and we simply could not attain our excellent student growth and success without them!

3. As of tonight, we have had three COVID cases in our school since we opened on September 1, literally one per month in September, October, and November. We will remain diligent in doing what it takes to keep our students, staff, and families safe. That said, I commend and thank our students, families, and staff for all of their efforts and great choices that are keeping us open, learning, healthy, and well.
4. On behalf of Paris students and staff, we wish everyone a very Merry Christmas and a Happy, Healthy, Safe New Year !!!
