

I'LL LEND A HAND!

MAKING A DIFFERENCE FOR OUR STUDENTS AND OUR SCHOOL!

The Paris School Organization hosts two fundraisers every year, **The Panther Prowl** in October and **The Spaghetti Supper** in the spring. EVERY penny we raise at these two events is invested back into making Paris School the BEST place to be! Not only do we ensure that our technology is cutting edge and our classrooms are great learning environments, but we also host a whole lot of fun events for our students, staff & community.

The Paris School Organization invites you to lend a paw to our cause this school year! Please join us the first Tuesday of each month during the school year (except September which we hold on the second Tuesday) for our monthly meetings. If you are interested in helping during the year, please fill in your name, email and/or textable phone number to receive notifications of planning meetings and/or needs for events that you are interested in as they approach!

Please return this form to school by Friday, September 8th.

Check ALL events that you are interested in:

FOLLOW US ON FACEBOOK:
www.facebook.com/ParisSchoolOrg
