 - **Technology Donation:** The total funds raised this year from the Prowl and Spaghetti Supper totalled \$116,008.00*. This would put our total donation for updated school technology at \$11,600.00, a motion to round this up to an even \$12,000 was made and approved by Kordecki and Maney.
 - *Panther Prowl Raised: \$56,007.00
