NOVEMBER 2023

Class of the Month Spotlight

1st & 2nd Grade

Students in first and second grade are learning all kinds of new skills! Our students are learning how to choose books that are just right for them and how to become more independent readers. Learning about Math Mountains have helped first graders memorize basic math facts quickly. We've learned that there are many ways to find a sum. Second graders are mastering the process of solving word problems in math and have learned that the process of finding the answer is just as important as the answer itself. First and second graders have learned that writing takes time and that sometimes it's hard to get ideas onto paper. We enjoy journaling each day. We've learned that adding details to our illustrations can help us become better writers.

October was full of fun for everyone! First and second graders had a blast at the Milwaukee County Zoo. We were very lucky to have a beautiful sunny day for our field trip. October is also fire safety month! Volunteers from the Paris Fire Department taught us how to stay safe in a fire and reminded us to check our fire alarms at home twice a year during Daylight Savings Time. Does your family have a fire safety plan in place for your home? Where is your meeting spot? It was great to learn from our local fire department!

We are proud of our students for showing Panther Pride!

Where's Parry?

Congratulations to Kendra in 3rd grade! She spotted Parry hiding in the Music Room on a box on a shelf.

If you spot Parry, fill out a slip and put it in the Raffle Box outside of the Computer Lab. One lucky winner will receive three Paws!

Counselor Connection

November 13 is National Kindness Day. Please remember to be kind to everyone! We will be focusing on good communication skills in Guidance during the month of November.

Ms. Thomas
School Counselor

DO YOU KNOW THIS STAFF PERSON?

1. I cut my leg open with a chainsaw.
2. I didn't learn how to swim until I was 13.
3. On the first day of 1st grade, I ripped my pants.
4. I lost 75 pounds in a little over a year.
5. Drake, the rapper, posted me on his Instagram.

Answer: Mr. Ayden/Mr. Keckeisen
Night Custodian

Mark your calendar!

The PSO has scheduled a **Paris Family Night at Action Territory!**

**Friday, November 10th
5:00 - 9:00pm**

Entry Fee: \$9

You will enjoy UNLIMITED

Laser Tag, Bumper Cars & Virtual Reality and receive a \$5 Game Card.

Students who earned \$100+ in pledges will receive a
PERSONALIZED invite to be our guest.

For more information, contact Kris Kordecki - 262.891.7513 | klkanzler@hotmail.com

Literacy Corner

November 2023

The Come Read With Me Program

There is still time to get involved with our successful **"Come Read With Me"** program. The program will begin November 7th and run until spring. We are looking for retired adults who are willing to have students read with them. The program will take place on **Tuesday** afternoons from 12:30-2:15. The **"Come Read With Me"** program gives our students the opportunity to read and discuss literature with someone very special, someone like a grandparent. If you are interested in participating in this interactive program or know someone who might be, please contact Paris School at 859-2350.

It will be an experience you won't forget, and your experience could make a difference in the life of a child!

VETERANS DAY

HONORING ALL WHO SERVED

We will be celebrating Veterans Day on Friday, November 10th during a school-wide Veterans Day activity. Kids Helping Kids (KHK) Partners will get together in selective places in the building and do projects and activities designed to remember and honor our Veterans. The activities will give our students the chance to remember all those who served in the military - in wartime or peacetime. It will provide our school the opportunity to show gratitude to the men and women who serve/served our country and make it possible to have the freedoms that we appreciate today. Our time of celebration will include a school-wide moment of silence to honor and remember our Veterans. A display of the day's festivities will be on display in the mid-level hallway shortly after Veterans Day. Paris appreciates all the Veterans who have given so unselfishly to protect our freedoms.

A MESSAGE FROM YOUR SCHOOL NURSE

When Should My Child Stay Home?

The following guidelines may help you in making that decision.

- A fever is a warning that all is not right in the body. No child with a temperature greater than 100 degrees F should be at school. The child should NOT return to school until he/she is fever free for 24 hours.
- A child with a cold with a lot of congestion and hacking cough belongs at home, even if no fever exists.
- Keep a child who has been vomited at home for at least 24 hours.
- If a child has more than one loose or liquid bowel movement in a day, he/she should be kept at home.
- Bacterial pink eye causes redness of the white part of the eye with yellow or green drainage. This is highly contagious and requires antibiotics. If your child is too young to avoid touching the eyes which spreads the germs, please keep him/her at home for 24 hours after starting the antibiotics.
- A rash might be the first sign of illness. DO NOT send a child with a rash to school until the doctor says it is safe to do so. Please provide a doctor's release note to return to school.
- Please inform the school staff if your child's illness is contagious.

THE TASTES OF CHRISTMAS

HIGHLIGHTING THE HISTORY OF COMMON AND UNCOMMON HOLIDAY FOODS THROUGH SONG

A concert series featuring our very own Paris students and music with a Christmas flavor.

Grades K-1-2 Monday, December 11th	Grades 3-4 and Beginner Band Tuesday, December 12th	Grades 6-8 Band Grade 5-8 Choir "Paris Ukulele Orchestra" Wednesday, December 13th
--	---	--

Students who wish to play pre-concert piano music before any of the concerts should email Mr. Warmuth

All concerts start at 6:30 p.m. in the Paris School gymnasium.
This is a "dress up" event.

WHO WE ARE?

We are a shooting club of the Westosha High School and affiliated with the Scholastic Clay Target Program (SCTP); which means we are a youth development program that compete in conference, state and national events.

TRAP, SPORTING CLAYS & SKEET

WHY CHOOSE US?

Our team projects a positive attitude in everything we do. We believe that teaching safety, building character, and training fundamental skills is the pathway to success.

ABOUT US

We encourage your child to maintain high academic and behavioral standards to stay eligible for competition. Our athletes gain a foundation in a life-long activity that is safe, gender neutral, and inclusive of those with challenges. Insurance figures show that your child is safer competing on an organized shooting team (archery, pistol, rifle, or shotgun) than in any ball sport. We can include youth in Grades 4 through 12. Starting at age 9 may seem young, but we have shown for 14 years that we can teach young athletes to be safe and competent with a shotgun under plentiful, careful and highly positive supervision.

TRAP PRACTICE:

Weekly; TRAP is Mondays (JV/V), Tuesdays (I/A, I/E, Rookies), Bristol Shotgun Range

SKEET PRACTICE:

Weekly; Thursdays (all levels) Northbrook Sports Club

SPORTING CLAYS PRACTICE:

Weekly; Thursdays (all levels) Northbrook Sports Club

SEASON STARTS:

March through July

COMPETITIONS:

Compete in WI Conference and SCTP State and SCTP National events

Must supply your own shotgun, ammo and safety wear (ear and eye protection), registration fees for events are responsibility of athlete

Registration is open November 1 - 30, 2023
