MARCH 2024

Save the Date

Easter Egg Hunt ~ Friday, March 22, at
5:00 PM. More information to follow.

Where's Parry?

Congratulations to Harper in 2nd grade! She spotted Parry hiding in the trophy case. If you spot Parry, fill out a slip and put it in the Raffle Box located outside of the Computer Lab. One lucky winner will receive three Paws!

Class of the Month Spotlight

6th Grade

Sixth graders are excited for the Literacy Unit! In science, they will be researching a plant or animal of the Rainforest & deciding which one should be saved by debating a classmate...in March Madness bracketology style! In social studies, students will be studying Ancient Rome through the months of March and April. In math, sixth grade has been working on solving equations and inequalities. During the literacy unit, they will be focusing on games and math-related art projects. For the Rainforest unit in ELA, sixth grade will be reading the first book in the series called *The Wildes*. They also will be studying various animals and keeping track of them in their "research guides" like the two main characters.

Counselor Connection

During the month of March, all students will be learning about different careers and what they can do in the future. On March 7, there will also be an exciting laser show assembly for all grades! Kindergarten through 4th grades will have an assembly on kindness, and 5th through 8th grades will have an assembly on bullying prevention. Have a great March!

Ms. Thomas
School Counselor

DO YOU KNOW THIS STAFF PERSON?

1. I went to Salem Grade School.
2. I was a competitive gymnast.
3. I love boating and waterskiing.
4. My favorite food is enchiladas.
5. I have a two-and-a-half-year-old daughter named Harper.

Answer: Mrs. Wilson
