

Guess who! Do you know this Paris School staff member?

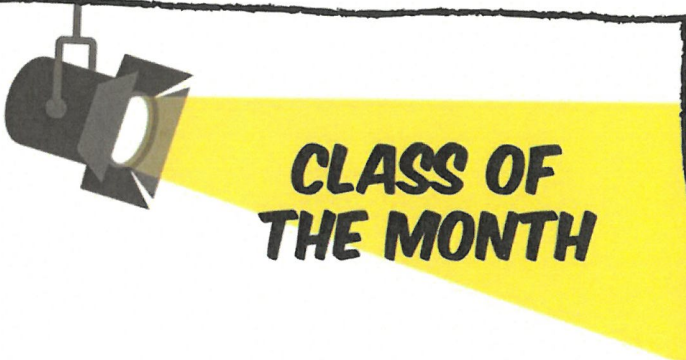

1. I have worked at Paris School for 27 years.
2. I have four children, two boys and two girls.
3. My wife and I just celebrated our 25th wedding anniversary.
4. I have two Labrador retrievers, Wrigley and Oakley.
5. I have jumped out of an airplane from 10,000 feet.

ANSWER: Mr. Pye, Physical Education Teacher

Counselor Connection

In the month of May, we will be wrapping up our guidance lessons and then finish the year with a movie. Have a great summer!

CLASS OF THE MONTH

8th Grade

Eighth grade has had a very busy spring! In language arts, they have been studying Shakespeare and his comedy, *A Midsummer Night's Dream*. Pre-Algebra is finishing up their studies of analyzing data displays and will soon be working on exponents and their properties. Algebra is working on solving quadratic equations using different methods and will be reviewing for their final soon. In Science, 8th graders have started their PLTW Medical Detectives unit. In this unit, students become medical detectives and solve medical mysteries by applying experimental design and problem solving techniques to investigate the inner-workings of the human body, diagnose disease, and improve human health. In Social Studies, 8th grade will be wrapping up the year learning about WWII. Finally, students are eagerly preparing for the 8th grade banquet and for their grand exit from Paris School...graduation day! Students would like to thank their families and the P.S.O. for donations, participation, and support.

WHERE'S PARRY?

Congratulations to Luke T. in 2nd grade!
He found Parry hiding in the gym on the pull-up bar.

PSO Family Fun Night

PARIS SCHOOL ART

In the Art Room, we are looking ahead to next year's Exploration Unit: Oceans and are collecting CDs that you may have laying around. They can be burned or unburned.

We are excited to embark on a collaborative project that will teach both Art History and environmental responsibility!

Please help us collect 850 CDs for a collaborative art project!

Please contact Mrs. LaBell at lblbell@paris.k12.wi.us with questions.
