- **Treasurer Report:** Balance was reviewed. The Capitol/ Cave of the Mounds field trip was paid out. There are still some float expenses still pending. There was discussion as to if the \$11K that was raised from last year's fundraising would come from the PSO or the PSF. We are waiting for the PSF to confirm the balance they have in the account. This will be tabled until next month's meeting. Jessica to earmark that amount from PSO account for now.
