

Guess who! Do you know this Paris School staff member?

1. I am a proud parent to two sons, one daughter, and a doodle.
2. I have lived in California, Washington, North Carolina, and Illinois.
3. My favorite place to vacation is near the ocean.
4. I have taught 2nd, 3rd, 5th, and 6th grade students.
5. I love to spend time boating on the lake during the summer.

Answer: Mrs. Kaebisch ~ Office Assistant

Counselor Connection

The month of October observes two special topics, one is Emotional Wellness Month which promotes mental well-being, mindfulness, and learning healthy coping strategies for handling life's stressors. The other is National Bullying Prevention Month which centers on empathy, conflict resolution, building inclusion and promoting healthy, supportive relationships. These are both great topics to go over with your children. The K-6th graders will be learning how to keep their bodies working well and staying healthy, while the 7th and 8th graders will be working on strengthening their communication skills.

Parry was just introduced to the kindergarten classes. He is going to start hiding in October. (Parry plays the "trick," and a lucky winner gets the "treat" – 3 PAWs!) Be sure to look for our mini school mascot. When you find him, forms and the box to put them in are located on the shelf outside of the Computer Lab.

CLASS OF THE MONTH

Kindergarten

What a wonderful first month of kindergarten! September has been filled with new friendships, big smiles, and lots of learning. We've been learning our classroom routines, practicing kindness, and building our classroom community. We've explored letters, sounds, numbers, and writing our names. We recently started Learning Centers with Ms. Sally and Ms. Blair. We are also excited about our first Panther Prowl! We are so excited to be a part of the Paris family!
